

Moving/Relocation Expenses

Due to a tight job market, and the need to attract qualified candidates to fill vacant positions at the County, the Board of Commissioners have granted permission for Jefferson County to offer up to \$2000 toward moving expenses for certain hard to fill positions.

To be eligible for Moving Expenses the new hire must live outside of Jefferson County, be moving into the County, make the move within 12 months of hire date, and submit expense receipts to Finance.

Moving Expenses are a taxable reimbursement. The total dollar amount, up to \$2000, will be reviewed on a case-by-case basis and will be commensurate with the position, and the distance of the move.
